

# Committee Draft 2010 Platform (as of 2/4/10)

## OUR VALUES

**We are the Democrats, the party of the people, the party of good government.**

We cherish our American heritage of opportunity and inclusion. We pledge ourselves to restoring a government that serves and protects its people, with justice for all as guaranteed by the Constitution.

**We are dedicated to:**

- ✓ Seeking peace and cooperation
- ✓ Counteracting global climate change
- ✓ Protecting the environment for ourselves and future generations
- ✓ Health care for all
- ✓ Fighting poverty and ending homelessness
- ✓ Economic justice, with living-wage jobs and fairness in tax policy
- ✓ Quality public education
- ✓ Fiscal responsibility, integrity, openness and accountability in government
- ✓ A criminal justice system that rehabilitates individuals
- ✓ Keeping our judicial system free of politics and preserving the rule of law
- ✓ Respecting religious liberty by upholding the separation of church and state

## AGRICULTURE

**We recognize farmers as stewards of the land, and we support programs that strengthen rural communities, preserve family farms, ensure the availability of high-quality food, and maintain the viability of the land.**

We support:

1. Phasing out all farm subsidies to large farms and agribusiness, and encouraging crop diversity
2. Sustainable agriculture, including conservation and environmental efforts that preserve agricultural land and other natural resources
3. Organic farming, and a reduction in all other use of herbicides, pesticides and other toxic materials
4. Local farmers' markets
5. Encouraging school districts to use local foods in their lunch programs
6. Sustainable bio-fuel production that reduces net greenhouse gas emissions as measured in CO<sub>2</sub> equivalents, minimizes negative impacts on food production and the cost of food to consumers, and produces a significant net increase in energy when all bio-fuel system costs are taken into account
7. Zoning and other assistance for renewable solar and wind energy production on farms
8. Clear labeling of food, including national origin and genetic modification
9. Increased inspections of food and livestock to ensure food quality and animal welfare, and to enhance safety and marketability
10. Promoting equitable, sustainable and fair distribution of water to protect resources for future use
11. Increased efforts to preserve soil and establish conservation of trees and habitat

## CIVIL & HUMAN RIGHTS

**The rights guaranteed by our Constitution and international human rights law are at the heart of the American identity and should not be compromised for any reason.**

## **Their preservation requires our vigorous defense.**

We support:

1. Repealing the USAPATRIOT Act and Protect America Act, and ending warrantless governmental eavesdropping
2. Strong antidiscrimination and affirmative action laws and policies applicable to employment, promotion, education, and housing
3. Every adult couple's right to marry and be afforded all civil rights associated with marriage, regardless of sexual orientation or gender identity
4. Every woman's right of reproductive choice
5. Enforcing the Americans with Disabilities Act
6. Rapid processing of requests for legal entry into the U.S., including temporary work permits, "green cards" and granting asylum status to refugees
7. Greater legal immigration and options for undocumented immigrants to normalize their status
8. The right of foreign nationals to have access to consular officials if accused of a crime
9. Using the criminal justice system to prosecute accused terrorists

We oppose the use of military tribunals and indeterminate detention of "enemy combatants"

## **ECONOMIC JUSTICE, JOBS & TAX FAIRNESS**

**We are committed to strong communities based on equal access to job opportunities, tax fairness, and shared prosperity. "Taxes are the dues we pay for the privileges of membership in an organized society" (Franklin D. Roosevelt).**

We support:

1. Fair and equitable taxation to provide funds sufficient to meet constitutional requirements and promote the general welfare
2. Federal and state efforts to create sustainable, living-wage jobs
3. Tax reform, including a state income tax, to make state and local taxes fairer and less regressive
4. Raising the Federal minimum wage to \$10.00 and adjusting it annually for inflation
5. Rollback of the Bush tax cuts for the very wealthy
6. Restoring the Federal estate tax for estates of \$5 million or more, keyed to inflation
7. Removing the \$106,800 cap on income subject to Social Security tax
8. Expanding the Earned Income Tax Credit to help the working poor, and applying an inflation index to the Alternative Minimum Tax to protect the middle class
9. Automatic sunseting of special-interest state tax exemptions after 10 years
10. Disclosing tax exemptions as expenditures in the state budget
11. Protecting pensions from employer bankruptcy and pension fund manipulation
12. Property tax circuit-breaker legislation to assist low-income homeowners and renters
13. Rescuing victims of predatory mortgages before bailing out mortgage companies
14. Expanding and strengthening consumer protections, including protection of homeowners from faulty construction
15. Capping the annual percentage rate of interest on payday loans at 36%, as Federal law does for military families
16. Separating investment banking from retail banking and subjecting it to tighter regulation, transparency and accountability
17. A publicly owned bank of Washington State
18. Government efforts to nurture new businesses, using such techniques as credit expansion, micro-lending, and new-business incubators
19. Legislative approval of state budgets and revenues by simple majority vote
20. Requiring genuine efforts by banks to adjust mortgages to keep distressed homeowners in their homes

21. Investing in clean energy and conservation jobs by retrofitting homes, businesses and government buildings
22. Repealing tax breaks and incentives for companies that move jobs out of state
23. Encouraging use of local banks and credit unions for savings, and community investment opportunities through affordable municipal bond offerings

We oppose:

1. Arbitrary state spending limits imposed by initiative
2. Affording to corporations, under the flawed doctrine of "corporate personhood," the same rights and protections that individuals are entitled to under the Constitution
3. U.S. businesses incorporating offshore to evade taxes
4. Tax breaks to corporations that don't provide significant public benefit, and other forms of corporate welfare

## **EDUCATION**

**Education is a basic right. It is the responsibility of our state and its citizens to provide a high-quality education for all children.**

We support:

1. Full funding for public schools as mandated by our State Constitution to provide:
  - a. Upgrading of school facilities, libraries, computer systems and other resources; counselors and nurses in every school; and a decrease of class size to below the national average
  - b. After-school programs and strong environmental education, and inclusion of fine arts education in the Basic Education Act
  - c. Strong programs for students needing extra help and for gifted students, and job training, vocational education, and apprenticeship programs
  - d. Competitive pay and benefits for all public educators, including continuing education and compensatory adjustments for high-cost areas
2. Sustainable use of public lands that produce revenue for Washington schools
3. State-funded universal pre-school and kindergarten, including such early-learning and pre-kindergarten services as Head Start
4. Alternative schools and other educational reforms that have been shown to improve children's learning
5. Evaluating teachers on the basis of student progress
5. Repeal of the No Child Left Behind Act
6. Honoring of the federal government's promise of adequate funding for the Individuals with Disabilities Education Act (1975)
7. Increased capacity to accommodate all who wish to pursue higher education
8. Free tuition at community colleges and technical schools for state residents, and tuition at all other state colleges and universities that is affordable for the average family
9. Doubling the size of Pell grants, with annual adjustments for inflation
10. College loan forgiveness for graduates who choose public service careers
11. Increased funding for public libraries

We oppose:

1. Private school vouchers, because they drain resources from our public schools
2. Commercial marketing to students in public schools
3. Aggressive military recruiting in public schools

## **ENVIRONMENT & ENERGY**

**Our well-being and very survival depend on worldwide clean air, clean water, safe food and sustainable ecosystems. Steps to protect them will create significant opportunities for American enterprise.**

We support:

1. Aggressive action led by the United States, including a carbon tax, to minimize global climate change, ocean acidification, and loss of the ozone layer
2. Increasing global conservation of energy and resources by all available means, including:
  - a. Replacement of polluting energy generation by renewable, non-polluting, non-nuclear sources such as wind, solar, hydrogen, ocean, micro-hydro, geothermal and biomass
  - b. Assisting other nations in implementing appropriate technology, energy efficiency and alternative renewable energy systems
  - c. Becoming energy self-sufficient and ending our dependence on carbon fuel sources such as oil and coal
  - d. Tax incentives for installing energy-saving systems
3. Requiring that Environmental Impact Statements include climate change impacts
4. Expanding efforts to reduce residential and business waste and promote the reuse and recycling of materials
5. Reducing toxic waste and funding the science to clean up and dispose of existing waste by all available means, including:
  - a. Treatment and disposal of radioactive and other hazardous wastes near their origin
  - b. Making Hanford cleanup a top priority
  - c. Reducing use of herbicides, pesticides and other toxic materials, to decrease environmental contamination and protect our food supply and health
  - d. Assessing the toxicity of chemicals prior to their manufacture and release into the environment
  - e. Reinstating the Superfund Tax to make polluters pay for cleanup
  - f. Incentives for businesses to conserve energy and clean up their toxic waste
  - g. Continuing development of recycled-material markets that meet strict environmental and worker-health standards
  - h. A national program requiring electronic equipment manufacturers to recycle and safely dispose of computers, televisions and other e-waste
6. Preserving our precious natural environment by all available means, including:
  - a. Adequate funding for maintenance of our national parks and wilderness areas as pristine national treasures
  - b. Protection of wetlands (including restoration of those in the Mississippi delta), the Arctic National Wildlife Reserve and other wild or environmentally sensitive areas, including a permanent ban on road building, logging, motorized recreation and any other type of development in threatened roadless areas
  - c. Maintaining the viability and diversity of plants and animals within watersheds and other ecosystems, including protection of the Northwest forests and adequate river flows that provide habitat for wild salmon and steelhead
7. Enforcing and strengthening our state's Growth Management Act to protect against further urban sprawl that consumes farmland, forests, wildlife habitat and natural resources

We oppose:

1. Shipping more waste to Hanford until the site is brought into compliance with existing regulations and the impact of past waste disposal has been fully remedied
2. Exporting banned chemicals or toxic waste to other countries
3. Drilling for oil or natural gas in U.S. waters, and mining, drilling, mountain top removal or any other activity likely to deface or pollute our national parks, wild areas or other public lands

# FOREIGN POLICY

**To strengthen our security and promote peace throughout the world, America must work within the international community in a spirit of friendship, cooperation, generosity, and democracy.**

We support:

1. Increased emphasis on resolving international conflicts through diplomacy
2. Our troops and our veterans. Therefore we support:
  - a. Increased benefits and quality medical care for them and their families
  - b. Full funding for the Department of Veterans Affairs
  - c. Their retaining full enlistment bonuses despite being wounded
  - d. Instructing them thoroughly in their rights and responsibilities under the Geneva Conventions
  - e. Protecting them from sexual harassment and assault and from discrimination based on sexual orientation.
3. Completing the withdrawal of U.S. combat forces from Iraq, and the expeditious and orderly withdrawal of U.S. forces from Afghanistan on a time-table
4. Rebuilding Iraq, using international agencies and local labor
5. Reconstruction of Afghanistan, including education, especially for women
6. Diplomatic engagement with multiple parties in the Afghanistan and Pakistan region, aiming at a peaceful resolution of the conflict
7. Strengthening the United Nations and paying our share
8. Expanding humanitarian programs that address the root causes of instability and terrorism
9. Use of the full influence of the United States, in an even-handed manner, through serious, constructive engagement and a U.N.-based multilateral peace process, to promote negotiations and other actions leading to a sustainable resolution of the Israeli-Palestinian conflict, based on mutual recognition, that ensures peace, justice, economic growth and quality of life for the peoples of the sovereign state of Israel and a sovereign state of Palestine. We call upon the international community to stop arming the conflict.
10. Strengthening and complying with international disarmament treaties, including the Anti-Ballistic Missile Treaty, Chemical and Biological Weapons Conventions, and Space Preservation Treaty against space-based weapons
11. Ratifying and complying with the International Land Mines treaties, International Criminal Court, Genocide Convention, Convention on the Elimination of All Forms of Discrimination against Women, and Convention on the Rights of the Child
12. Restoring and reaffirming our historic adherence to the Geneva Conventions, affording those rights to any person detained in a combat zone by the US Military
13. Complying with the provisions of all international human rights treaties to which we are a party
14. Replacing trade treaties, such as the WTO, NAFTA, and CAFTA, with agreements that incorporate human rights, labor rights, public health, and environmental protection
15. International aid for family planning
16. Forgiving onerous debt owed by poor countries forced to choose between debt repayment and essential services
17. Revision of the War Powers Act to assure that Congress can declare an end to a war
18. The Cuban people's right to political and economic self-determination, and an end to the U.S.-imposed embargo and travel ban

We oppose:

1. Using the "global war on terror" to justify military action, against Iran or any other country, without a Congressional vote
2. Preemptive war and/or covert action to effect regime change
3. The undue influence of the military-industrial complex over national policy
4. Federalizing the National Guard to make up for recruiting deficiencies in our regular military forces

5. Permanent U.S. military bases, prisons or an oversized U.S. embassy in Iraq
6. Using contractors not subject to the rule of law in military or paramilitary operations
7. U.S. training of foreign military or police forces that suppress human rights in their own countries
8. Developing new nuclear weapons and continuing to use depleted uranium
9. Exporting weapons systems that contribute to the international arms race
10. International Monetary Fund policies that compel privatization of vital government services, such as water, as a condition of refinancing national debt

## **GOVERNMENT & POLITICAL REFORM**

**A real democracy ensures that its voting process is fair, transparent and open to all citizens.**

We support:

1. Vigorous enforcement of the right to vote for all citizens
2. Direct election of the U.S. President, and abolition of the Electoral College that unduly magnifies the role of small states and narrow pluralities
3. Abolishing the filibuster in the U.S. Senate
4. Permanent voter registration and same-day voter registration for new voters
5. Restoring felons' right to vote after they have served their time
6. Use of electronic voting machines only if accompanied by a verifiable paper record of each vote cast, and increased security for ballots and vote-counting machines
7. Public campaign financing for all elections
8. Party primaries to select candidates for the general election
9. State funding of public debates for statewide offices and ballot measures
10. Free radio and TV time for major-party candidates and ballot issues before each election
11. Reinstating the media Fairness Doctrine in election campaigns to promote more balanced reporting by broadcast media, including cable networks
12. Limits on use of corporate and special-interest funds to influence legislative votes and executive decisions
13. Full disclosure of the source of campaign funds, including separately controlled campaigns and issue advertising
14. Extending elective-office contribution limits to include contributions made to any PAC or other organization supporting or opposing a candidate or ballot issue
15. Congress and the judiciary being pro-active in preventing unconstitutional expansions of executive power
16. Requiring that government decisions involving scientific issues be based on sound science and that all materials affecting those decisions be disclosed to the public
17. Fair and transparent procedures in government contracting and procurement

We oppose:

1. Use of voting machines with proprietary software that cannot be verified or audited
2. Improperly removing or challenging registered voters from the voting rolls
3. Corporations exerting undue influence on our government
4. Congressional "earmarks" for pork-barrel projects
5. Executive branch secrecy
6. Presidential "signing statements" being used to countermand the will of Congress

## **HEALTH CARE**

**Health care is a basic human right and is recognized as such by the rest of the industrialized world. It is the responsibility of government to ensure the health and safety of its citizens.**

We support:

1. Establishment of a nationwide, publicly funded, nonprofit, single-payer universal health care plan, including affordable prescription drug coverage. Until this is attained we support:
  - a. Immediate access to the Washington Basic Health Plan for all those qualified
  - b. Legislation to have state law provide universal health care
  - c. Including dental, vision, mental health, contraceptive, substance abuse treatment, durable medical equipment and alternative therapies in all medical coverage
  - d. Assured access to and adequate funding for Medicare and Medicaid
  - e. Replacing Medicare Part D with a more effective and efficient prescription drug program for seniors, including immediate repeal of the 2003 Medicare Modernization Act prohibition on negotiating volume discounts on prescription drugs
2. A primary-care physician for everyone, to assure regular preventive care
3. Grants to encourage medical students to specialize in primary care
4. Education and access to birth control to minimize the need for abortion
5. Timely dispensing of all legally prescribed medicines by every pharmacy
6. Public funding of quality long-term care with options for in-home care
7. Establishing programs to combat obesity
8. Regulating nicotine as a drug
9. A strong federal Patient's Bill of Rights

## **HUMAN SERVICES**

**A caring community provides a safety net of social services to meet the basic needs of its people, especially those on the margins of society, so that each may attain his or her full potential.**

We support:

1. Increasing the Disability Lifeline (General Assistance-Unemployable) stipend from \$339, to safeguard the vulnerable poor and people with disabilities who cannot reasonably provide for themselves
2. Galvanizing the political will to end homelessness to ensure that all people have access to safe and affordable housing
3. Weighting affordable housing subsidies toward those who need them most
4. Workforce housing programs aimed primarily at those who fall between minimum wage and a living wage, but in no case more than 80% of the median wage
5. Welfare programs that will reduce poverty, not just the welfare rolls
6. Quality, affordable childcare, education, training, medical care and substance-abuse treatment to help working parents get off welfare and poor people escape poverty
7. Redirecting resources to programs that rehabilitate and reintegrate people experiencing mental illness or addiction, rather than programs based on crisis and emergency response
8. Programs to provide temporary housing and jobs to people being released from prison.
9. Restructuring and adequately funding the foster child system
10. In-home elder-care alternatives to nursing homes

## **IMMIGRATION**

**Throughout our history, immigrants have strengthened America. All immigrants should be afforded full human rights and a fair, safe, and timely path to legal status.**

We support:

1. Policies to more fully integrate immigrants into our community with shared prosperity, greater opportunities and higher living standards for all
2. Comprehensive immigration reform, to protect the integrity of our borders while recognizing the basic human rights of immigrants and protecting them with due process in all proceedings
3. Discouraging illegal immigration and encouraging lawful immigration by adjusting quotas and speeding processing of applications for entry, asylum, temporary work permits, lawful permanent residence ("green cards"), and citizenship where that status is sought
4. Fair and humane treatment of all who enter the United States, including nondiscriminatory access to education and human services, and family reunification where appropriate
5. Provisions to prevent discrimination in wages and working conditions for immigrant workers, including access to safe and adequate housing, medical care and educational opportunities, to protect them from exploitation and to protect American workers from being undercut by employers taking advantage of an illegal and exploited workforce
6. Using diplomacy and sustainable development to improve the social, economic and environmental conditions in other nations that contribute to illegal immigration into the U.S.

## **LABOR**

**We believe in the dignity of work and demand fair wages and benefits in return. We insist on the right of all workers to join labor unions, to bargain collectively and to take part in setting their working conditions.**

We support:

1. Establishment of a living wage
2. Equal pay for equal work
3. Paid sick leave for all employees
4. A Workers' Bill of Rights that includes:
  - a. A safe, healthy and toxic-free workplace with rights of association, assembly and free speech, and due process including protection for whistleblowers and union activities
  - b. Health care for all employees and their families
  - c. Democratic and fair elections within unions
5. National Labor Relations Board reform including a streamlined appeals process and meaningful financial penalties for employers found to have engaged in unfair labor practices
6. Repeal of the union-restricting Taft-Hartley Act
7. Extended unemployment benefits, education and retraining for unemployed workers
8. Protection from reprisal or permanent replacement for workers locked out or on strike
9. Accurate unemployment statistics that include persons whose benefits have been exhausted or who have given up on looking for work
10. Safe and adequate housing, sanitary facilities, medical care and education for migrant and seasonal workers and their families

We oppose:

1. Mandatory overtime
2. Mandatory indoctrination meetings
3. So-called "right-to-work" laws

## **LAW & JUSTICE**

**Government must provide for the safety and security of the general public with care, even-handedness and respect for the individual.**

We support:

1. Reasonable security measures to protect the public without sacrifice of civil liberties

2. Independent investigation and prosecution, including impeachment, of any government officer responsible for ordering or participating in violations of law
3. Greater emphasis on preventive and rehabilitative measures in prison, and alternative sentencing that emphasizes rehabilitation
4. Providing special mental health courts for mentally ill people caught up in the criminal justice system, to assist in their medical treatment and rehabilitation
5. Removing non-violent crime from the "Three Strikes" law
6. DNA testing to convict the guilty and exonerate the innocent
7. Accountability in law enforcement, with effective civilian review
8. Including in state and federal substance-abuse policy:
  - a. Emphasis on treatment and rehabilitation, and drug education that reflects established scientific knowledge
  - b. More drug courts and a lower priority for minor drug offenses
  - c. Treating marijuana use the same as use of alcohol
  - d. Prohibiting asset forfeiture until a defendant is convicted of a crime
10. Universal gun registration and licensing; a comprehensive background check before each gun sale (including at gun shows) sufficient to keep guns out of the hands of felons and mentally unstable people; required safe gun storage in the home; and prohibition of automatic weapons
11. Restoring FBI funding to investigate white collar crime

We oppose:

1. Capital punishment, because killing a human being in our name is unacceptable
2. Racial profiling
3. Privatizing prisons

## **MEDIA REFORM**

**A free press is essential for democracy to flourish.**

We support:

1. Net neutrality: all users to have equal access to Internet service
2. Multicultural media and minority ownership
3. Increased funding of public radio and public television
4. Fair compensation by cable companies for their use of the public right-of-way
5. Establishment of low-power broadcasting for educational and non-profit institutions
6. A shield law to protect journalists from being pressured to reveal their sources

We Oppose:

1. Concentration of media ownership
2. Political pressure on public radio and television
3. Government-funded propaganda disguised as news
4. Government intimidation of the news media
5. False claims of "national security" to suppress investigative journalism

## **TRANSPORTATION**

**Better public transportation will promote equal opportunity and will improve the quality of life for all.**

We Support:

1. Establishing public transit as a priority over road construction, so as to better serve the public and reduce auto use and emissions
2. High-density development and economical rapid transit in urban areas

3. Local input in transportation planning
4. Repeal of the 18th Amendment to the Washington Constitution, so that state gasoline taxes may be used to fund transit as well as highways
5. Keeping roads, bridges and ferries in good repair, with replacement of the Alaskan Way viaduct and seawall our highest-priority infrastructure improvement
6. Sidewalks and marked crosswalks for pedestrians and wheelchair users; bicycle lanes and storage facilities for cyclists; and convenient bus stops and shelters

## **LOCAL ISSUES**

**The 46th District Democrats have a tradition of leadership on local issues.**

We support:

1. Funding Seattle North End neighborhood schools to provide adequate capacity
2. Promoting and funding basic civics education for students and the general public
3. Building sidewalks on at least one side of each arterial in Seattle within 10 years
4. Increasing pedestrian safety, including streetlights and visible crosswalks
5. Ending "sweeps" of homeless encampments, respecting personal property of campers and finding a semi-permanent home for an organized encampment on public land
6. Funding Seattle and King County housing and human services, especially services to homeless individuals and families transitioning from military service, domestic violence, foster care, foreclosure, criminal justice and mental health institutions
7. Developing and adequately funding more senior centers in Seattle
8. Increasing the number of public health clinics in Seattle from three to five
9. Preserving and increasing our tree canopy in Seattle & King County
10. Renegotiating the Metro bus resource allocation formula so that Seattle gets its fair share (per ridership) and can increase frequency along at-capacity routes
11. Reviewing planning and zoning to orient Seattle to the post-automobile era, including density around transit centers and route intersections
12. Local governments' posting meeting notices, agendas, documents and databases on the Internet in a timely and user-friendly manner; local governments should partner with new media to inform citizens about issues
13. Providing grants to nonprofits to support reporting on governments and civic issues in King County
