

RESOLUTION REGARDING VOTING FACILITIES FOR DISABLED PERSONS

Whereas the disabled need to have the same ability to vote by private ballot, and

Whereas the locations for the disabled to vote have been severely limited;

Therefore, be it resolved that voting machines for the disabled also be available at all Seattle and King County Public Libraries, or other system that allows equitable access to a private ballot.

Adopted by 46th District Democrats in Biennial Caucus Assembled, March 14, 2010
