

What concerns you?

- * Environmental safety?
- * Preservation of open space?
- * Healthcare?
- * Public school programs?
- * Fair taxation?

The 46th District Democrats share many neighborhood concerns we can work on together!

We're an active, influential, grassroots organization with over 500 members in North Seattle neighborhoods including:

Laurelhurst	Ravenna	Northgate
Broadview	Maple Leaf	Wedgwood
Lake City	Greenwood	Sandpoint
Victory Heights	Hawthorne Hills	N. Greenlake

The 46th District Democrats work closely with state legislators, city and county council members, and congressional leaders. Many of these elected officials attend and speak at our monthly meetings, which are a great forum for learning what is going on in our government and for letting our representatives hear our issues and concerns.
